December 31, 202X

The screenshot shows the 'e-Check Payment' interface. At the top, there's a progress bar with 'Taxpayer Information' and 'Payment Information'. Below this is a table titled 'List of Payment(s) Requested' with columns: 'Select Tax Type', 'Filing Period', 'Select Payment Type', 'Payment Date', and 'Payment Amount'. A red circle highlights a link '+ Click here to add a payment' at the bottom left of the table. A red arrow points from this link towards the 'Payment Information' pop-up window.

The 'Payment Information' pop-up window is divided into three sections. The 'Account Information' section has a dropdown for 'Select Tax Type' with 'Individual Income Tax (IIT)' selected, and a dropdown for 'Select ID Type'. The 'Bank Account Information' section has a dropdown for 'Select Bank Account Type' with 'Checking' selected, and fields for 'Routing Number', 'Account Number', and 'Confirm Account Number'. The 'Payment Information' section has a dropdown for 'Select Payment Type' with 'Return/Period Payment' selected, a dropdown for 'Filing Frequency' with 'Annual' selected, a field for 'Select Filing Period End Date', a date field for 'Payment Date' set to '31-Jan-2025', and a field for 'Payment Amount'. A red circle highlights the 'Return/Period Payment' selection. A red arrow points from the 'Return/Period Payment' text in the top right of the image to this selection. At the bottom right are 'Cancel' and 'Add' buttons.
